## No1

It is now possible to move across sites, groups, and My Folders.

The screenshot displays the EARTHRAIN file management interface. On the left, a file selection pane shows a list of files and folders. A context menu is open over the 'ファイル管理デモ企業' (File Management Demo Company) folder, with the '移動' (Move) option highlighted. A red arrow points from the '移動' option in the context menu to the '移動' button at the bottom of the file selection pane. On the right, a table lists files with columns for name, creator, last updated, last updated by, and size. A callout box points to the '移動' option in the context menu, stating 'Click "Move" from the context menu'.

Click "Move" from the context menu
